FATWA OF COMBINING PRAYERS IN SUMMER

Due to the lateness of Isha and to alleviate hardship we will be combining Isha with Maghrib at the Jammah prayers in the mosque for the two periods of 20th April to 10th May and 1st August to 16th August. At home Isha has to be prayed at the time shown unless one finds it difficult to pray Isha on time when it is late, in this instance the majority of scholars permit you to combine it with Maghrib.
